Fairtrade Fortnight 2023

27 February – 12 March 2023.

Fairtrade Fortnight is spreading a simple message:
**Making the small switch to Fairtrade supports producers
in protecting the future of some of our most-loved food
and the planet.**

What is Fairtrade??

Fairtrade is about better prices, safe working conditions, local sustainability, and fair terms of trade for farmers and workers.

More people choosing Fairtrade means extra income, power and support for those communities.

By making the small switch to Fairtrade, we can all support producers in protecting the future of some of our most-loved food and the planet.

Buying Fairtrade is easy. There are over 6,000 Fairtrade products from coffee and tea to flowers and gold, so when you shop, look for the FAIRTRADE Mark
