Big Garden Birdwatch is the world's largest garden wildlife survey. Every year, hundreds of thousands of nature lovers take part, helping to build a picture of how garden birds are faring.

Its easy to do…
Spend an hour watching the birds in your patch, between 26 and 28 January, and record the birds that land.
Report what you see (even if that's nothing at all)!

You can submit your results online or by post.
