Help Us Light Up Christmas!

We absolutely LOVE how dazzling our trees look at each church—
thanks to your incredible generosity!

This year, St Paul's is going green (well... sort of)! We've gone for an artificial tree—no needles, no mess, and it'll keep sparkling for years to come. Sure, it costs a little more upfront than a real one, but after a few Christmases, it's practically paying for itself! If you'd like to sprinkle some extra festive magic and support this wonderfully Christmassy cause, you can: Donate into the church account (please use the reference Christmas Tree) Or pop some cash into the office. Thank you :-)

Bringing the community together, one meal at a time.
